

SHERIDAN-KALORAMA NEIGHBORHOOD COUNCIL

Dear Sheridan-Kalorama Neighbor:

As it has for more than 60 years, the *Sheridan-Kalorama Neighborhood Council (SKNC)* continues to serve as the neighborhood association for Sheridan-Kalorama. We would like to bring you up to date on our recent activities and to ask you to maintain your membership by paying your 2024 dues, allowing us to continue our work on behalf of the neighborhood.

The SKNC has continued to work with the many other excellent organizations in our neighborhood. Among our efforts to preserve and enhance Sheridan-Kalorama as one of the most desirable historic residential communities in the country,

- We continue to monitor the operations of the Assets strip bar at the corner of Florida and Connecticut Avenues to ensure that it complies with the terms of our 2020 agreement and the law.
- With the immeasurable assistance of our ANC Commissioners, Carole Feld and Ashley Warren, we successfully pushed to have the derelict and abandoned property owned by the Pakistan government at the corner of 22nd and R Streets sold to a private individual. Renovation of the property has not yet begun, but we are optimistic that it will soon. In the meantime, the property is taxed at a much higher rate.
- With the assistance again of Commissioner Feld and activist residents, we mitigated at least some of the havoc created by the Massachusetts Avenue Rehabilitation Project.
- Led by our Secretary, Marie Drissel, we have made the intersection of S Street, Florida Avenue and Connecticut Avenue much safer by pushing the Department of Transportation to extend the duration of the walk lights and by installing speed and red-light cameras.

We would be very grateful if you would renew your membership or join by returning the form below with your 2024 dues. We will have a web site soon (www.Sheridan-Kalorama.org) that will permit on-line payments. The site may be functional by the time you read this letter. Regardless, we also will handle payments through checks. Since the SKNC is a 501(c)(3) non-profit, dues are tax-deductible.

Sincerely,

Donald J. Friedman
President
